

Golf Societies

Our 18 hole parkland course is hugely popular with societies as it is a great leveller of abilities. The par player is rewarded with immaculate greens and smooth fairways while the budding amateur is not killed off with rough you could lose a small child in. The result is a course all will enjoy.

Golf societies can enjoy great bar prices and a high quality of food so no one will be left disappointed. All our society packages are built to your needs so please call us or enquire via golf@shaw-hill.co.uk
